AFI Sunday Evening Lectures

Sunday 1st February

Fern Mercier

The Players of 2009

What hand are the gods dealing us in the game ahead? Jupiter and Neptune are expanding the dreams of Aquarius; Saturn and Uranus go on disturbing the peace for the Mutables and Pluto settles into the task of deconstructing Capricorn's security systems. What's in it for you and me? Fern Mercier is a Pluto in Sag survivor and has been unashamedly in love with Astrology for over 30 years. She practices, teaches, reads and writes astrology full-time and is also a tarot reader. Her website is www.tarot.net.nz

Sunday 1st March

Anna Esteroth

Horary Astrology

Whether you are an expert or an innocent about horary this talk is designed to inform you how to use the technique and answer any question the participants chose to ask.

Anna Esteroth Workshop

Saturday 14th February

Astrology of your Home

This is about the chart of your own home and how it influences your life. Everyone lives somewhere and your house has a particular chart. It would help (but it's not essential) if participants have some idea of the date and time they entered their own house. It's also important to see the house in relation to your surroundings, so the workshop explores local space charts which explain why you have certain experiences in particular locations.

For those who have a local space chart please bring it along, I can draw up some, in advance or during the lunch break, for those who do not already have one, once I have your data.

NZ born and emigrated to the UK at aged 12, Anna has been a professional astrologer since 1971. She uses both traditional and psychological astrology in her practice in Edinburgh. She has done radio and television work in the UK and currently writes a weekly horoscope for the Scotsman newspaper. You may remember her last visit to us in 1998.

annaestarothonline.com

Time: 10am—4pm Saturday 14th February Fee: \$50.00

Venue: 119 Queen St, Northcote Point

Important!

Please email Anna direct to book for the workshop with your birth data and location of your home, and date and time of entering it if possible. (see above) As Anna is travelling she would like to do as much beforehand as possible. So please, if you plan to come, email her immediately. Thanks! anna.estaroth@hotmail.co.uk

Local Classes and Workshops

The Translation of the Horoscope - How to Read a Natal Chart

Time: 10:00 am—4.00 pm

Date: Sunday 22 February

Fee: \$80 per workshop

Starting 22 February, Carol will be introducing Sunday workshops each month for intermediate and advanced level students - and what better way to get your astrological juices flowing than to get to grips with the process of reading a chart right from the start! Carol will guide you through the process of interpreting the birth chart by following a simple and clear set of 'rules' that can be followed time after time, chart after chart.

The Continuing Story of Horary Astrology

Time: 10.00 am - 12 noon, Wednesdays

Dates: 25 February - 1 April

Fee: \$105 (6 weeks)

The amazing thing about life is the diverse and mundane situations we experience—and for which we seek answers and clarification. Join the class to discover there is no end to the questions asked of - and the insight gleaned from - the horary chart. The possibilities are endless.

Registration essential - to ensure your participation in these classes and workshops please contact Carol Ph 09 410-0097, email caros@astrologyschool.com

Reading the Progressed Chart

This double workshop - Sunday 8th March and Sunday 19th April 2009 is designed to facilitate reading computer generated progressions rather than a "how to do class." Progressed planets and angles give a comprehensive overview to an individual's internal development and growth, but some "work" better than others -why? What did C E O Carter and Alan Leo mean by excitation? How important are progressed stations and retrograde motion? And how best to put it all together.

Extensive handouts provided – class works with class charts so be sure to give your birth data when you register.

Venue: 119 Queen Street, Northcote Point

Time: 10am-4pm Fee: \$80 per day. Registration essential. Morning tea provided
