Mini-Workshop

Horary Astrology : From the Beginning

For all those who always wanted to learn Horary astrology but didn't know where to start. By popular request, Carol is presenting an introduction to Horary Astrology - the art of answering a question from a chart cast for the moment the question is asked. What is Horary and where did it come from? What considerations must I be aware of before I can judge a chart? How can Horary help to find my lost keys, tell me if I will get the job I've just applied for, or if I should sell my house and move on, or stay? This mini-workshop will provide you with the tools to enable you to answer these questions - and all those questions you'd love to ask but didn't know how to find the answer.

Time: 1.00 pm - 4.30 pm

Date: Saturday, 23rd July

Place: 119 Queen Street, Northcote Point

Fee: \$35 (includes charts, handouts, refreshments)
