Local Classes and Workshops

**Sunday Workshop with Colleen
On Your Wave Length
- An Introduction to the Astrology of Harmonics
Sunday 16th May**

What are **Harmonics** and what does a Harmonic chart tell us? In simple terms, by dividing the circle by different numbers we get aspects - some familiar and some not so familiar - but this workshop is not actually about the aspects it is about the charts the divisions create.

The number of charts you create is up to you but certain Harmonic charts have specific meaning and these are the ones we will concentrate on in this workshop. Harmonic charts, are derived from the natal chart and like all derived charts read in conjunction with the natal - what they reveal is like putting a "blue light" on the natal chart - they reveal the bare bone, the strengths and weakness and according to the harmonic involved show the wave-length of the individual. We do not all bend in the same breeze and we do not all resonate to the same tune - Harmonics very simply tell us to which tune we dance. And yes the bonus is that understanding the meaning of the Harmonic enriches the understanding of aspects.

In the workshop we will work with class charts so be sure to supply your data when registering.

Venue: 119 Queen Street Northcote Point

Time: 10 am - 4 pm Fee: \$80

Registration essential. Extensive handouts and all relevant personal charts provided for this workshops. Morning Tea provided.

**NEW!!!
Mini-Workshops
Working with Astrology, Living with Astrology**

Run on the 2nd & 4th Saturday afternoons of each month, these mini-workshops are hands-on, working together with our own charts and life events—together with our constant companion, the ephemeris.

Subsequent workshops will very much be an evolving process, covering subjects to suit student progress and interest. A great opportunity to really practice and grow with your astrology. Suitable for students who have attended previous astrology courses and who have a good understanding of the basics of astrology, the Signs, Planets and Houses. Register your interest and enroll now!

Time: 1.00 pm - 4.30 pm

Dates: Saturdays, 22nd May, 12th June, 26th June

Fee: \$35 each workshop (includes charts, handouts, refreshments)

Venue: 119 Queen Street, Northcote Point
