### Local Classes and Workshops

**Faye Cossar—Vocational Profiling  
Saturday 11th February 2012  
Astrology Workshop**

Clients often consult astrologers when they're at a crossroads in their jobs. Perhaps they've been dissatisfied with work, or they've been fired, made redundant or feel that it's too late to start over. Or they haven't started work yet. With this workshop, by using vocational profiling and key parts of the horoscope, you'll get a glimpse of how to help clients discover the types of work that suit them, and uncover and define their blocks to achieving their goals. You'll also get ideas for how to pinpoint your own style, strengths and talents. Faye will discuss using the horoscope to:

- Make a career profile
- Spot vocation and life mission
- Identify talents, personal styles, image, goals, norms and values
- Address the ideal working environment and colleagues/bosses
- Build a C.V or website
